

2012 Annual Report

South Dakota Professional Administrators Practices and Standards Commission

The Professional Administrators Practices and Standards Commission hereby files this report with the South Dakota Board of Education.

The Commission is charged with the responsibility of reviewing and when appropriate conducting case hearings regarding complaints against administrators. The Commission may reprimand or recommend a disciplinary action which may be implemented by the appropriate governing body against a member of the administrative profession if the member has been determined by the Commission to have violated the code of ethics established under SDCL 13-43-45. If the Commission determines that proceedings to revoke or suspend the certificate of a teacher should be instituted, the Commission must file a written complaint with the Secretary of the South Dakota Department of Education.

During calendar year 2012, the Commission met on four occasions and reviewed four 2011 cases, and eight 2012 complaints. Ten complaints were dismissed. One 2011 complaint received disciplinary action and one 2012 complaint remained pending at the end of 2012.
